

ANNUAL DOG LICENSES

Effective with 2011 dog licenses, Town of Exeter residents can obtain licenses at the Exeter Town Hall throughout the year. Please remember that a dog license is for one year only and must be renewed each year. For each dog you are licensing, you are asked to submit the following form and veterinarian documentation of current rabies vaccinations.

You have two options to purchase new licenses or renew existing ones:

1. You may visit the Town Hall during regular business hours and receive your license(s) in person.
2. You may send all required information to the Town Hall along with a stamped self-addressed envelope and your license(s) will be mailed to you.
