**MOTION to approve report (MG/TF)**, all in favor, approved.

**Supervisor report:** Ted thanks Dawn for the election work. Ted updates on grant money and the items we purchased – ballot box and security system. Ted gives an update about the old Hideaway. It would cost Exeter a lot of money to tear it down. Lawyers, demolition costs, and asbestos/septic tank removal for no return on investment. Mark has nothing to add.

**Citizen Input:** Dale Gutman wants to thank the township for the great job on election day. A concern was raised about Hughes Road – 90-degree turn near the DNR land. This is an accident waiting to happen with people parking any way they want to. Ted said he will have the road patrolman put up No Parking signs. Is there a speed limit sign on Hughes Rd? It is 45 miles. It was reduced from 55 miles. If we would want to lower it more, a full road/traffic study would have to be done.

**Committee Reports:** Mark will be sending an email about sealing the basketball court. Ted will talk to Ricky Kiesling about wrapping the new trees before winter.
