Notice legally posted.

Treasurer Report: Dawn summarizes balance as of May 31, 2021: \$535,435.68
MOTION to approve report (KB/MG), all in favor, approved.

Announcements: The Belleville Library is fully open for business. We received a thank you from Ten Junk Miles Racing for allowing them to use road for their May 29th race.

Supervisor report: Ted – Christen Rd driveway, Hillcrest house under construction, one on CC and last lot on Hughes Rd. Four graves marked – 2 Exeter and 2 East Dayton. Ed Short was here before meeting with new boundaries for Exeter cemetery. Towns Assoc. meeting – do not be in a hurry to spend ARPA money as guidelines keep changing. Hwy 69 detour is causing a lot of traffic on Christen and Argue Rd. Signs have been posted for local traffic only and 5-ton weight limit. Edelweiss CC was not happy that we closed road for pea graveling during league play. EMS/Fire - 2025 next new fire truck due. The new fire truck has arrived. New air packs for the crew will cost about \$280,000.00. Mark and Kent have no news to report.

Citizen Input: None.

Committee Reports: Mark – west side of large shelter has a tarp now. The one side of the tarp will have a weight placed on it so that it rolls up equally on both sides. There is a loop welded on the crank with a chain and lock. Basketball court has been sealed. Pea gravel placed from parking lot toward river last week. What can we do about cars parking down on the banks of the river? The large oak tree appears to be dying.

Senior Center needs a nutrition person starting in the fall. HVAC is working. Angie said she bills Dane County for assistance, but Green County will not sign a contract for reimbursing. Angie is willing to come to a meeting and talk about this issue.

Unfinished Business: Siggie – The letter was too specific. I would like one that is more generic so that I can contact all internet and cable providers (re-do letter). They want a copy of our map so they can see where we have/need broadband.
